

General Aviation Bulletin

from the Office of Regional Aviation Assistance

ROCKET LAUNCH

When: 2018-MAY-20 0445 – 0600 EDT

Where: NASA Wallops Flight Facility (WAL)

Exercise caution when operating near the lower Eastern Shore of MD and VA due to planned rocket launch at the Wallops Flight Facility (WAL).

Multiple back-up launch days are planned.

Pilots are encouraged to contact WAL ATCT (126.5).

Mission updates will be noted on the Wallops launch status line at 757-824-2050 or at www.nasa.gov/wallops
